**New Traffic Pattern on Santa Barbara Boulevard**  
**between S.E. 8<sup>th</sup> Street and S.E. 12<sup>th</sup> Terrace**

**Cape Coral, May 21, 2010** – Beginning Thursday, May 27, motorists can expect a new traffic pattern on Santa Barbara Boulevard between S.E. 8<sup>th</sup> Street and S.E. 12<sup>th</sup> Terrace. Southbound travel lanes on the east side of the road will be closed to traffic, reducing both northbound and southbound traffic to **ONE LANE ONLY**. In addition, the temporary closure of side streets at S.E. 10<sup>th</sup> Terrace, S.E. 11<sup>th</sup> Terrace and S.E. 12 Terrace are necessary for crews to construct the east side of Santa Barbara Blvd. Motorists are advised that left turns from side streets and business driveways onto Santa Barbara Blvd. are not permitted during this phase of construction.

Advance warning signs, electronic message boards, and barricades will be used to assist motorists traveling through the area. Construction on this section of roadway is scheduled to take place over the next three months, Monday through Friday from 7 a.m. to 5 p.m.

While traveling through the work zone, motorists are urged to use caution, obey the posted speed limit of 35 mph, and seek alternate routes whenever possible. Please be advised that unforeseen circumstances and weather may affect the schedule.

For more information about the City of Cape Coral Roadway Improvement Projects, please contact Maricelle Venegas, Public Information Specialist at 239-707-9050 or visit us at [www.capecoraltransportation.com](http://www.capecoraltransportation.com)
